Marley Agriduct® Culvert Pipe Series 556

Date of Manufacture As printed on pipe.
Product(s) Series 556. DN100, DN150, DN175, DN225, DN300 & DN375.

Product Conformance:

Manufacturing Standard Marley Internal Manufacturing Standard.

Management System ISO 9001 : 2015 – Bureau Veritas Certification 001692-1
ISO 14001 : 2015 – Bureau Veritas Certification 001693-1

Product Quality Data Tested to Marley Internal Specification for dimensions and impact strength

Manufacturing Systems:

Marley Manufacturing System has adopted individual internal procedures with comprehensive testing by process technicians on line and responsible laboratory testing programmes.

These quality control procedures include but are not limited to:

Control of processing parameters are fully monitored and recorded to ensure consistency and provide traceability.

Visual inspection of pipes to measure dimensions and testing compliance, including wall thickness diameter and length.

Production checks are carried out at regular intervals as specified in the standard. All tests are fully recorded to identify the product by time and date to give full traceability in the field.

Resin: Marley formulated uPVC product blend incorporating 100% recycled material.

Durability: Marley Agriduct® can be expected to meet market performance requirements when installed according to guidelines listed in the Marley Rural Catalogue-Section Culvert Pipe.
