Date of Manufacture As printed on pipe.
Product(s) Marley 700 Series

Product Conformance:

Manufacturing Standard AS/NZS 1254: 2010
License Number 2725 – Bureau Veritas
Management System ISO 9001 : 2015 – Bureau Veritas Certification 001692-1
ISO 14001 : 2015 – Bureau Veritas Certification 001693-1
Quality Testing System Registered Laboratory IANZ 92
Product Quality Data In accordance with AS/NZS 1254: 2010

Manufacturing Systems:

Marley Manufacturing System has adopted individual internal procedures with comprehensive testing by process technicians on line and responsible laboratory testing programmes.

These quality control procedures include but are not limited to:

Control of processing parameters are fully monitored and recorded to ensure consistency and provide traceability.

Visual inspection of pipes to measure dimensions and testing compliance, including wall thickness diameter and length.

Production checks are carried out at regular intervals as specified in the standard. All tests are fully recorded to identify the product by time and date to give full traceability in the field.

Resin: Specifically blended resin in accordance with AS/NZS 1254 for both moulded and extruded product to meet the asset design requirements

Durability: Marley Stormline® pipes and fittings will provide asset durability in excess of B2-NZBC of 50 years with an asset design life in excess of 100 years when designed, installed and used in accordance with the Standards Operation Specification and Codes.
