PLUMBER LICENCE #

I CONFIRM THE FOLLOWING:

- That I am licensed to undertake / supervise / oversee the installation of specified plumbing works for this project.
- That all Dux SecuraGold™ system components I have supplied and installed in this project are genuine OEM products.
- That all such Dux SecuraGold™ components have been installed and tested correctly and in accordance with the manufacturers requirements and the requirements of the relevant AS/NZ standards and will thus meet all performance requirements.
- That the installation has been pressure tested to 1500kPa for a minimum of 30 minutes, as per the requirements of AS/NZS 3500.1:2015 18.3.1 Hydrostatic test.
- That due to the above, the Dux SecuraGold™ components I installed in this project will meet the durability requirements of the current NZ Building code and carry the Dux SecuraGold™ 25 year guarantee.

SIGNATURE DATE

Dux Industries 25 year performance warranty (limited)

Dux Industries is committed to providing quality products to customers that meet or exceed the requirements of relevant AS/NZ standards and the New Zealand building code.

This warranty covers the Dux SecuraGold™ fittings and PB-1 pipe only, against material or manufacturing defects during normal operation from the date of installation for a period of 25 years. This warranty does not apply to the tools used to install the SecuraGold™ system.

All products must be stored, handled and installed in strict accordance with the manufacturer's installation manuals, instruction leaflets and online learning platform hot and cold potable water course.

All claims must be communicated to Dux head office or the local regional office.

Dux recommends the use of the SecuraGold™ Producer Statement as a record of installation date.

Conditions

Where a material or manufacturing defect cannot be shown to be contributory to any failure no claimable situation shall exist.

In all cases Dux Industries reserve the right to inspect the installation and all displaced parts must be retained and together with a written description of the installation, conditions and fault must be made available to Dux Industries Ltd.

Where a material or manufacturing defect is confirmed, Dux request that the Dux components be used in the repair and all failed Dux components shall become the property of Dux Industries Limited. In the event non-Dux product is used in any repair Dux accept no future responsibility or liability for that part of the system.

Consequential damage is not part of this warranty.

The limits of this warranty do not remove or decrease any statutory rights under the New Zealand consumer guarantees act but is published with the intent of being able to quickly resolve any claims.
